CONGRATULATIONS TO OUR FINALISTS

Mount Pleasant, Mich.—Narrowing our applicants to four potential winners was a challenging task. Each of our applicants poured time and dedication for their grant applications. The Clarke extends thanks to everyone who applied, and

congratulations to those who will move on to the online voting stage:

THE VOTING PROCESS

Finalists should ask their communities for support via Twitter votes. Each time a user sends a tweet including a finalist's hashtag (listed below), it will count as one vote. Voting will take place March 22 through 28.

There will be a mail-in alternative to Twitter voting. A postcard featuring a Michigan image will count as 10 votes. Postcards must be sent no earlier than March 15 and arrive no later than March 28. They must be sent individually, with the exception of unique, handmade postcards made as part of a library or school project.
